

Product Description:
Quick Connect Data Connector

Electrical

Voltage rating: 150 VAC RMS
Current rating: 1.5 A
Contact resistance: 20mΩ max.
Isulation resistance 1.000 MΩ @ 500 VDC

Enviromental

Storage temperature min / max: -10 C to +40 C
Operational temperature min / max: -25 C to +55 C
Humidity: <80%

Mechanical

Wiresize: Solid AWG 23 - 24
Maximum wire isolation size: 0.97 - 1.07 mm
Retention strenght: 50N for max 60 sec.
Minimal operation life: 750 cycles
Insertion force: 30N max.
