Product

DISH 88 CM
TD 88

High quality 88 cm steel parabolic dish. TD dishes are available in different sizes, materials and colours for any job ranging from single to multiple user applications and any type of environment. The dishes allow a substantial reduction in time used for mounting and adjusting. The elevation bracket is pre-mounted and is easily fixed to the mast with non-slip mast brackets to ensure that the dish remains in it's correct position, when other dishes are torn down or twisted by heavy storm.
